EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, line 36, delete "33".

The following is an examiner's statement of reasons for allowance: no prior art of record, alone or in combination, teaches or fairly suggests a swing comprising a seat unit having a backrest frame disposed rearwardly of a seat frame, extending in a direction transverse to the longitudinal and transverse directions, a side part having a lower end disposed below the seat frame, an upper end opposite to the lower end, and an intermediate portion pivoted to the rear end of the side part of the seat frame through a first pivot pin and to the rear part of one of the armrest frames through a second pivot pin, which is disposed at an elevation above the first pivot pin, the backrest frame being rotatable about the first and second pivot pins between a normal position and a tilted position; a footrest frame disposed frontwardly of the seat frame and extending downwardly from the seat frame when the backrest frame is disposed at the normal position; an inclination-adjusting rod disposed below the seat frame; a position adjusting unit including a guiding member and a sliding member; and a support unit including an upright support frame with left and right suspending members having upper ends
